January 1991

PRESIDENT'S MESSAGE

Wishing you and yours a happy and prosperous new year!

We have a lot of excitement in the FCA going on right now, which is great! We've got 2 or 3 new chapters being formed in the south and on the east coast. Several regional meets are being planned and some local shows are being sponsored by some of our chapters. If any of you need help in putting on these events, contact your Regional Director; or, if you have a national FCA officer in your area, they will help.

I talked to Dave Elledge, President of the Sooner Chapter, and the progress on the National Meet for 91 is coming along in great shape.---Jim Hatcher, President

ANNOUNCING A NEW CHAPTER

FCA President Jim Hatcher announces that the Erie Canal Chapter has been formed and is now active. President of the Erie Canal Chapter is William J. Barren, 11303 Jamison Road, East Aurora, NY 14052. Welcome, Erie Canal members!

EVENTS

- NOTE TO CHAPTER LEADERS: The Editor desires to list all regular chapter meeting dates. You can help by sending your meeting dates to the Editor--please include several months if possible. If your Chapter has a stated date each month (i.e.--first Saturday) please advise. Thanks for your help.

CHAPTERS

THE CAROLINA'S CHAPTER held its Christmas get together on December 6, with family presence. The officers of the chapter were re-elected for 1991. Ken Earnhardt is President, Butch Willis is Vice-President, and J. C. Teeter is Treasurer.

THE MASON DIXON CHAPTER will have its annual dinner meeting at The Barn Restaurant in Glasgow, Delaware, on February 9, at 6 pm. For reservations call Glenn Stewart at (302) 834-8231 or Phil Barber at (301) 266-8271. 62 persons attended the annual picnic at Sandy Point. Officers were re-elected: Phil Barber is President and Nelson Stickley is Vice-President. The chapter has planned for 1991, and has discussed the purchase of a large lawn canopy, and the possibility of getting chapter logo badges for member's cars. Four new members were signed up.

THE RIVER CITY CHAPTER held a tree decorating party in December. The chapter will be assisting Towe Ford Museum in hosting a swap meet on March 2. The chapter has a new club logo. Explorations are taking place re. a possible regional meet in June.

FCA MEMBER BOB RUDOLPH FEATURED IN BOEING NEWSLETTER

FCA member Bob Rudolph was recently featured in the "Boeing, Aerospace and Defense Group, B-1B Program Newsletter." "Some of us have an old pair of shoes or slippers that are real comfortable and cozy. That is how Bob Rudolph feels about his Ford Falcon. Bob owns a 1966 Falcon Ranchero which he obtained in 1985, restored, and drives to Parkway Plaza on a regular basis. As President of the Northwest Chapter of the Falcon Club of America, he joins with other Falcon owners, and those non-owners who just have fond feelings of affection toward this fine old friend, for monthly meetings. Members help each other restore their cars, swap parts, tell stories (. . . who, Bob?) and exchange ideas. The club fosters a sense of camaraderie and fun for the whole family including special activities like poker runs, picnics, parades and group trips. . . . And if you would like to see Bob's Ranchero, just ask him and he will be glad to point it out to you--in case he hasn't already honked his musical horn at you in the parking lot--or look for the license plate "BOBSLUV."

JANUARY VICE PRESIDENTS MESSAGE

DURING THE PAST FEW DRIVING TRIPS, I'VE NOTICED UPON ARRIVAL AT OUR DESTINATION THE WIFE ALWAYS COMPLAINED OF PAINS IN HER NECK. IN RETROSPECT I REMEMBER MY MOTHER HAVING A SIMILAR PROBLEM UNDER THE SAME CIRCUMSTANCES. NOT BEING RELATED, I CONCLUDED GENETICS WERE NOT INVOLVED.

CURIOSITY AROUSED, I VOWED TO RESOLVE THIS PHENOMINA KNOWN BY MANY OF THE OPPOSITE GENDER AND EVEN BY THE MALE WHEN THEY TAKE THEIR TURN AT BEING A PASSENGER.

SCIENTIFIC RESEARCH HAS CONCLUDED THAT MOST OF OUR COMPANIONS HAVE POOR PERIPHERAL VISION. THAT IS, THEY CANNOT SEE THE SPEEDOMETER WHEN SITTING ON THE FAR RIGHT IN A FALCON. THIS MAY OCCUR IN OTHER VEHICLES AS WELL, THE FALCON, HOWEVER WAS THE TEST VEHICLE IN THIS EXPERIMENT.

TWO CURES HAVE BEEN DEVELOPED FOR THIS PHENOMINA, THE FIRST OF WHICH IS A "HALF CURE", THIS INVOLVES A SLIGHT OF HAND. WHILE THE DRIVER IS LOOKING TO THE LEFT, GENTLY REACH DOWN, PULL THE SEAT RELEASE AND ALLOW THE SEAT TO SLIDE TO IT'S REARMOST POSITION, THUS ALLOWING A BETTER VIEW OF THE NEEDLE. THIS WORKS FOR BUCKET SEAT FALCONS ONLY. FOR BENCH SEATED FALCONS YOU SIMPLY STATE "DEAR I WOULD LIKE TO STRETCH OUT A BIT, WOULD YOU SLIDE THE SEAT BACK"? WORKS EVERY TIME, NOW THE PASSENGER CAN SEE THE SPEEDOMETER AND THE DRIVER IS EFFECTIVELY SHORTER, DECREASING THE ABILITY TO CRUSH THE CARPET BENEATH THE ACCELERATOR PEDAL. THIS, AS STATED IS ONLY A HALF CURE, MEANING HALF EFFECTIVE.

THE "FULL CURE" IS SIMPLE AND PAINLESS. USING A STOPWATCH OR YOUR WRIST WATCH, NOTE THE TIME, IN SECONDS IT TAKES TO TRAVEL FROM MILE POST TO MILE POST. USE THE TABLE BELOW TO CALCULATE, IN MILES PER HOUR, THE SPEED AT WHICH YOU ARE TRAVELING. THIS KEEPS YOUR EYES FORWARD, THEREFORE LESSENING THE STRAIN ON THOSE TENDER NECK MUSCLES. IF ASKED WHAT YOU ARE DOING, YOU SIMPLY STATE, "I AM CALCULATING TIME OF ARRIVAL BASED ON PRESENT SPEED". HAVE FUN!!!

LAGNIAPPE (a little something extra)

* Want to be guaranteed maximum spark output at the spark plugs? Each time they are serviced the edges of the electrodes should be filed to a nice clean, sharp edge. Look at the electrode of a new plug to see exactly how it should look. Electrical charge tends to congregate more along sharp edges than on rounded surfaces. For this reason the plug will have more fire if the electrodes are sharp.

* When setting either timing or dwell (adjusting the distributor points), remember that when you change the dwell you also change the timing. If you set the timing, however, the dwell doesn't change. Always set the dwell angle first, then set the timing.

MEET HEAD TECHNICAL ADVISOR BOB PASSINO

I'm 49 years young. I've been interested in Falcons since 1964 when I purchased a brand new 64 Futura HT V8. My wife, Matty, and I have many fond memories from that car. I helped my brother build a 65 Falcon Ht street rod, a real runner with HP 289, dual quads, 4 wheel disc brakes, 9" rear end, the works. When I purchased my 63 Sprint all I wanted was a daily driver, but as things progressed, we decided on a full restoration. This took 4 years and was a labor of love. We recently purchased a 65 Deluxe Sedan Delivery and this will be our next project.

I'm a machinist by trade working on CNC Boring Mills. I've been with the same company for over 30 years. I'm an avid hunter, walks in the woods type, and my wife and I are campers. We also show two golden retrievers in the obedience ring. I've been an FCA member for seven years and have held the position of head technical advisor for 1 year. We have attended the last 5 National Conventions and have met some of the greatest people in the world through the club. National members don't know what they've been missing til they have attended a National Convention, seen some of these cars, and enjoyed the company of FCA members from all over the USA.

MEET PARTSMASTER JERRY GASSER

I am 50 years old, single, with 3 adult children and 1 11-year old son. I have owned Falcons for 22 years and currently own 5 of them: 63 convertible, 63 wagon, 64 sedan delivery, 65 Futura wagon, and 65 Futura HT. My 63 wagon is my year round driver and the others are nice weather weekend cars. My job (partsmaster) with the FCA is to locate parts for other Falcon owners who cannot find their needs. I have a large source of vendors who may be able to help if I don't have the needed part myself. I really enjoy my job and encourage every Falcon lover to write me for help with parts needs or just to talk about Falcons. Also I was appointed Vice-President of a newly formed chapter in western New York, the Erie Canal Chapter which covers NY from Albany west and south to the state lines.

My occupation is a technician with Eastman Kodak in Rochester, NY, working on advanced micro-filmers and systems. Other hobbies are photo-taking, gardening, cooking, camping, local history, and of course restoring Falcons.

RESULTS IN ON SURVEY OF INTERESTS

FCA Vice-President Marty Martin has announced the results of a survey taken with the FCA chapters as to the most desired information in The Falcon Bulletin and The Falcon News. The results are as follows: No. 1--Classified; No. 2--Tech Articles; No. 3--Feature Cars/Pics; No. 4--Chapter Activities/Calendar; No. 5--Feature Chapters.

TO ADVERTISE

FCA members are entitled to 2 free ads per issue (limit 50 words per ad). Each ad must appear in a different section of the classified ads. The FCA will not be held responsible for errors (legitimate errors will be corrected in the next issue when requested). All ads for the classified section must appear with a member's name to be considered a free ad. Non-member ads in the classified section are \$5.00 each, and are limited to 50 words per ad. All items advertised for sale must have a price for the ad to be run. Ads to be run in more than one issue must be resubmitted each month.

Commercial ads will be accepted on a space-available basis. All copy for commercial ads must be camera ready. Commercial ad rates (per month) are: Full page--\$50.00. Half page--\$30.00. Quarter page--\$20. Quarter page photo ad--\$15.00 for members, \$25.00 for non-members.

All ads should be sent to the editor. Payment must accompany the ad, with checks payable to Falcon Club of America.

Ads must be received by the 1st of the month for the next month's issue.
